

Paint Production Line Technical Details

Company: _____ Date: _____

Address: _____

Tel: _____ Fax: _____

Contact: _____ Title: _____

1 . Current Production Status:

Do you have production equipment? Yes No

Current production equipment situation:

Single Machine Producing Plant producing

Current Production Process: _____

Current Equipment: _____

Current Capacity (per 8 hours): _____

Existing Issues on Current Equipment: _____

2 . New Devices will be used to:

Development or Manufacturing of New products

Expansion of Current Production or Capacity

3 . Your Products?

Emulsion Paint (For Buildings)

Industry Paint

Decoration Paint

Wood Lacquer Anti-corrosion Lacquer Putty

Others (Please write down the names): _____

4 . Do you need Ex-proof? Yes No

5 . Production Process: Dispersion Mill Tinting

Capacity of Tinting Kettle: _____

6 . Do you need grinding machine: Yes No

Material is _____ Color _____

Original Particle Size (um) _____ Final Particle Size (um) _____

7 . Requirement of Plant Capacity _____T/year, Working _____day/year _____h/day

8 . Filling Specification: Small Drum Standard Paint Drum Large Drum

9 . Control System: Manual Semi-Auto Automatic (PC/touch screen)

10. Workshop Size _____ (please provide workshop layout drawing)

11. Workshop Structure: Steel Structure Cement Structure Others _____

12. Location of Workshop _____

10 . Budget _____ Purchasing Time _____

11 . Previous questions are only used to choose proper machinery, any special requirements please write

here: _____

Technical Purchaser's Signature

Date : _____

Please kindly send the filled files to us, sales engineer will contact you as soon as possible!

Best regards with many thanks
